

Critical Design Areas

- List of videos - suggested feed
 - Star rating for difficulty, flag for recommended
- Video recipe - showing one video
- Search for videos

User Tasks

- Use the search function to find a low difficulty vegetarian cake recipe
- Use the video feed to find an easy to cook recipe that's recommended for you
- Watch a video and follow along in the recipe

Meeting Notes

- Need a home page?
 - should it display the videos
 - Should be able to search - how big? placement?
-
- Drop down menu search bar
- popup login/register
 - stationary buttons that follow when scrolling
- star rating for difficulty
- suggested tag
 - sorting by suggested? prioritize suggested videos?

--Mikayla and Musaab were at the meeting. Luke didn't get the groupme notifications and forgot about the meeting. Later realized mistake and was assigned to figma duty.

Figma Link List
